

*When this earthly journey ends, Where will you spend eternity? Many do not give serious consideration to the matter of their souls and their eternal destination. The reality is that everyone will spend eternity somewhere.*

*The Word of God, as Matt, 7 vs. 13 & 14 clearly points out to us, that in the span of life, there are two roads. The road that leads to destruction and the road that leads to life. Every person born, chooses to travel through life on one or the other.*

*Each road ends somewhere. Jesus, as Luke 16 vs. 22 & 23 identifies the destinations at the end of each road. Hell, or eternal separation from God, and heaven, or paradise.*

*It is vital to understand that every person born into this world is born with a natural desire to travel the road that leads to destruction. because all are born sinners. Rom. 3 vs. 23 states: - "For all have sinned, and come short of the glory of God.*

*The natural result of traveling this road is eternal separation from God. Rom. 6 vs. 23 warns that the wages of sin is death,*

*God, not willing that any should perish, gave His only begotten Son "Jesus Christ", to die on a cruel cross, paying the price for our sin. That through the sacrifice of Himself. He might open to man, access to a new road. The road that leads to life.*

*If you have not accepted Jesus Christ as your own Personal Savior you are on the road that leads to destruction, hell and eternal separation from God. He stands and knocks at your heart's door.*

*He invites you to create a new end or destination, by changing the road on which you now travel.*

*You can make this change by accepting Him (Jesus Christ) into your heart and life as your personal Savior.*

*You can make the choice today, and experience the peace that forgiveness and a right relationship with God brings.*
